

# JUEL HOSSAIN

BACK-END WEB DEVELOPER

Dear Hiring Manager,

I am excited to apply for the Back-End Developer role at [Company Name]. With expertise in Node.js , Express.js and mongodb , I am confident in developing scalable, efficient, and secure server-side applications and APIs.

I am eager to join [Company Name] and contribute to your back-end development initiatives. Your company's focus on innovation and excellence aligns with my passion for creating robust back-end systems.

Thank you for considering my application. I look forward to discussing my qualifications and showing my enthusiasm for this role.

Sincerely,

Juel Hossain
